SPIRITUAL HEARTQUAKE is the most delicate shake-up of the spiritual Gate way to FULL-INNER LIFE of nearly every human person determined to largely succeed in both Earthly and Kingdom Life.

SPIRITUAL HEARTQUAKE selectively occurs as a dream during deep-deep sleep But the trembling, fear, scare, visible body movement and general panic would steadily reveal that **SPIRITUAL HEARTQUAKE** is real and its purpose is to among other roles Humble a human person and boost true love for Humanity. It is extremely difficult for one to become annoyed and/or irritated after experiencing **SPIRITUAL HEARTQUAKE**.

SPIRITUAL HEARTQUAKE sets one to become spiritually accountable at every segment of personal spiritual development on the one part and responsibly promote interpersonal peace on the other.

THE PURPOSE

Firstly, **SPIRITUAL HEARTQUAKE** is triggered by excessive heavy Prayers without Proper guidance, stressful thinking, unique suffering with neglect of Godly hands, unique-new challenge without appreciating its strength, sudden disasters with highly-negative impact on a human person.

WELL, the main purpose of **SPIRITUAL HEARTQUAKE** is to swiftly humble a human person on the one part and enhance true love for humanity on the other.

UNIQUE PRIVILEGES

SPIRITUAL HEARTQUAKE is a very slippery and sensitive opener of the spiritual gate-way to full enjoyment of life both on earth and in the Heavenly Places. Most people die in the process of experiencing **SPIRITUAL HEARTQUAKE**; instead they are swiftly hit by **HEART ATTACK** and they die of **HEART FAILURE** and may be other Heart issues regrettably.

SPIRITUAL HEARTQUAKE is usually survived once a person is spiritually prepared for the Unknown/Uncertainties in life and his/her Heart has no strength to aggressively resist the unique pressure (shake-up) that comes with the **HEARTQUAKE**.

SPIRITUAL HEARTQUAKE could last for about 10 seconds to 50 seconds but its impact might last for a life time. It has the admirable potential to create instant emotional balance/harmony but its occurrence is highly unpredictable and largely selective. Very few people have known it and/or

even experienced. Those who have chanced to experience are tongue tied to disseminate information about it simply because of its **MYSTERY, UNIQUENESS AND WONDERS**.

It is usually the state of sub-consciousness with gradual transition to consciousness naturally. I mean without medical Prescription to induce the process.

The lead secret is that excessive prayers without guidance, acute suffering without the hands of God, unmanageable excitement are some of the frontline items that might trigger **SPIRITUAL HEARTQUAKE** suddenly. Very unfortunate that millions and millions of people die without full knowledge of this Giant (**SPIRITUAL HEARTQUAKE**)

Most people are aware of the destructive nature of **EARTHQUAKE** which shakes the Earth suddenly and Terribly.

However, it is important for every human person to learn and keep abreast with more information about **SPIRITUAL HEARTQUAKE**.

SPIRITUAL REFRESHMENT

The Bible

- 1 Thessalonians 5:16-18 "Rejoice always, pray without ceasing, in everything give thanks; for this is the will of God in Christ Jesus concerning you. Quench not the Spirit"
- Galatians 5:16-25

NOTE; this piece of work has been mentored and powered to LIFE by the Holy Spirit of God. I share it with you in Jesus Christ' name. **GLORY BE TO GOD**
