Business formation, growth and development should be largely viewed from the unique angle of circumstances that inspired and propelled the main-stream vision bearer, to transform meaningful thoughts into Action and economic activities.

Special Life Team has keenly learnt that personalities serving the business world have at one point or the other had bitter experiences on one part and sweet moments on the other.

Our community–friendly team spent about 3 years to locate Mr. IDERA JOSHUA who is destined to become one of the most respectable business personalities in Uganda and beyond.

His Business mind has been shaped by the hardship faced during secondary school Education.

“Life has been unfair to me .I used to walk 10kilometers daily to my school. ASINGE secondary school was located very far from home. There was no means of transport to commute to school and back home,” explains Mr. IDERA JOSHUA

It was the harsh path of education that stressed and prepared Mr. IDERA JOSHUA to study procurement and Logistics related courses at Kyambogo University in Uganda –Africa.

“I have managed to detach my mind from the bitter past. I want to help improve the means of transport back home,” explains Mr.IDERA JOSHUA.

Special Life Team interfaced with Mr. IDERA JOSHUA in Wakiso District on Saturday 07 March 2020 for about 4 Hours.
