## **EXCLUSIVE & INTERNATIONAL**

GETTY IMAGES; the Management of GETTY IMAGES in the USA , has Swiftly deleted its water mark label inscribed on the image of MS. GRACE VERONICA OMIA, rated one of the best world's editorial images. It was then later renamed one of the world's best creative images . the said labeled image of Ms. Grace Omia was being sold at a price tag of between 150 and 499 United States Dollars per download and/or depending on the size required. Sale points were activated in the USA , UK, Europe and Australia as indicated online by 29<sup>th</sup> Nov, 2019.

The said image was an item of investigations in the untimely and /or expedited demise of Ms. Grace Veronica Omia

"The Publications of this Image with abnormally high price tag, put the life of Grace Omia and her family at the upper region of dangers and she could have been vulnerable to all sorts of attacks, "explains Prophet Patrick Donald Oucha ( Omia's brother).

However GETTYIMAGES swiftly removed its water mark label on 29th Nov, 2019 at about 15:00hours By 30<sup>th</sup> Nov, 2019 the images of Grace and her cousin sister had only the water mark labels of Allamy /photos inscribed on them and the price tag of USD. 150 – 499 had been deleted as well.

THE QUICK REMOVAL OF GETTY IMAGES LABEL , SIGNALS GUILT ON THE ONE PART AND ACCEPTANCE OF RESPONSIBLITIY ON THE OTHER.

According to a report once circulated online with the photos, west Ham Police ; described the tragedy that led to the photo opportunity with Grace Omia as a possible suicide or murder. Remember the scene at West Ham reportedly had 5 black adults and 4 black children in a burnt car. Grace Omia and the cousin became some sympathizers who were attracted to the scene because of mercy and sympathy.

We do strongly believe the sad and sorrowful image of Grace Omia was published by **GETTYIMAGES** and alarmy.com to mobilize funds Worldwide at the cost of inconveniencing Grace Omia and discomforting her entire family , friends , colleagues and associates internationally.

We strongly relate Grace's untimely demise to these irresponsible actions and the extreme misuse of EDITORIAL RESOURCES.

IMAGE CREATED; The said image was reportedly created on 16<sup>th</sup> /April /2002 after it was taken in West Ham , East London , where five black adults and four black children were reportedly found burnt in a car. Grace Omia was among the sympathizers the media talked to as one of the Photos has a Mic without the Person managing it.

The action exposes how some Giant American and British Companies exploit the innocent black people for economic gains and premeditated torture, abuse and humiliation among other issues.

**OUR FAMILY EXPECTATION IS THAT GETTYIAMAGES** should swiftly apologise and also contribute towards funeral expenses for Grace Omia in order to avoid possible legal battles between the two companies and the family of Grace Omia.
