**CELEBRATES SPIRITUAL BYPASS 2018,
AHEAD OF GRAND INSPIRATIONAL
PERFORMANCE IN 2019 AND BEYOND**

“Yes, I experienced a unique Spiritual bypass. I have successfully subdued the power of lightning and thunder. The next on schedule is earth quake. You know earth quake is the master of the inner world, when it strikes many strange things happen”.

“I am also monitoring some stubborn underwater spiritual power components; am sure, one day we shall be able to block unnecessary subscription of spiritual powers from the underwater EVIL FORCES”.
