SPIRIT REALM ANALYSIS

Dictatorship Unlocked: Who is a dictator? Originally popular, vibrant, brilliant, brave and visionary leader, hit by ACUTE LOSS OF FOCUS, due to spiritual condition known as 'INSPIRANOMIA'.

His/her urge for power is provocatively unpredictable and inwardly unstoppable.

Dictators use the weapon of FEAR and Deliberate creation of conflict to keep the flow of power constant and above the waters.

DICTATORSHIP is a form of curse activated by the rebellious attitudes of a leader; especially when the leader is involved in false praise and worship of God, subscriptions to solitary trees and under water power points.

John 4:24 “God is spirit; His worshipers must worship him in spirit and in Truth”.

Dictator’s slice of life is tuned on the word ‘yes’. He /She is provoked by every negative response to his/her considered opinion.

On the contrary, FEAR keeps the Dictator alert 24/7. Dictators are arguably some of the most FEARFUL and /or insecure personalities under the sun.

PRESCRIPTION

The durable solution resides in spiritual cleansing programme, designed to prepare a power thirsty individual appreciate life without much authority at hand. The cleansing technique activates the Holy Spirit of God to subdue contrary spirits responsible

for keeping a dictator under unique bondage and/or false intra-personal admiration.

Advance prayer and fasting technique should be routinely managed in order to achieve spiritual calmness and shift to the right.

Never Provoke and/or Hurt a dictator, the outcome might be endlessly regrettable and broadly destructive. Dictators respond to issues subconsciously and act sub-humanly. They propel negative /radicalized influence on followers beyond the grave.

BIBLICAL IMPLICATIONS

THE SPIRIT AND HUMAN NATURE

Galatians 5:16-25

What I say is this: Let the spirit control your lives and you will not satisfy the desires of human nature. For what our human nature wants is opposed to what the spirit wants, and what the spirit wants is opposed to what our human nature wants. These two are enemies, and this means that you can not do what you want to do. If the spirit leads you, then you are not subject to the law. What human nature does is quite plain. It shows itself in immoral, filthy and indecent actions; in worship of idols and they fight; they become jealous, angry, and ambitious. They separate into parties and groups; they are envious, get drunk, have orgies and do other things like these. I warn you now as I have before: those who do these things will not possess the kingdom of God. But the spirit produces love, joy, peace, patience, kindness, goodness, faithfulness, humility

and self control. There is no law against such things as these. And those who belong to Christ Jesus have put to death their human nature with all its passions and desires. The spirit has given us life; he must also control our lives. We must not be proud or irritate one another or be jealous of one another.

Apostle Paul

Apostle Paul does writes to the Corinthians and the Galatians with some sobering words:

“Test yourself to see if you are in the faith; examine yourself!” (2 Cor. 13:15)

“If anyone thinks he is something when he is nothing, he deceives himself. Each one should test his own actions. Then he can take pride in himself,

without comparing himself to somebody else” (Gal 6:3-4)

To everyone entrusted with spiritual authority/leadership, searching tests are bound to come.

Difficulties we face are tests, but are also stepping stones to victory and maturity.

Observe the positive results of tests from the book of James (James 1:2-4)

SPIRITUAL CONTRAVERSITY

In some parts of the world, Dictatorship was fashionable and a necessary evil.

Servant of God should handle situations without provocation. Some servants perish in the hands of dictators due to hash approach and reaction.

In life, no human person is Useless or Bad. We need one another to create and sustain everlasting spiritual harmony. Bad and/or good are all gifts with ingredients of useful lessons for holistic growth and development.

Difficult personality

Difficult people are God's gift to help us build our character and get all those benefits. But because we don't recognize that God has given these people for our benefits, we don't respond the way we should:

- We allow ourselves to hate these people.
- We spend all our time avoiding these people.
- We grumble about these people.
- But instead we're supposed to do the hard thing: bless instead of curse and do not complain when you help them.

TOGETHER is an ANSWERED PRAYER..... The
FUTURE is NOW.....
