THE MOST HIGH;...Who is Pastor Kayanja, in the beautiful Nation State named Uganda? Please, someone assist to inform and/or remind him that the HOLY SPIRIT OF GOD was not fully involved in the authorship of his prayer speech during the swearing- in ceremony of His Excellency Yoweri Kaguta Museveni , the president of the Republic of Uganda, venued at Kololo ceremonial Ground - Kampala 12/05/2016...Mr Kayanja, unlocked the faculty of false prophecy contrary to the current Spirit Realm Situation, which is hit by Spiritual Quagmire....Servant of God must learn to correct, guide, unlock the truth.....without FEAR or components of persuasive ditions. What he (Kyanja) performed was a mere spiritual non-sense designed to please the earthly desire...Next time be led by the Spirit of TRUTH.....TOGETHER is an Answered Prayer...The FUTURE is Now.....Me prophet Patrick Donald Oucha
