OUCHA

Quote , Oct. 2018

**some American and European
women were being financed
to lure me into ungodly camp.**

"you know money has no power over me.

I can become anybody i want to be.

**My focus is on the Will of God NOT my own Will and /
or the Will of some earthly - beautiful American women.**

They must stop friendship - harassment" warns Oucha.

Good To Say No Thank You!
