Congolese Refugees in Zomba- Uganda, July 2010

We suggest H.E Felix Tshisekedi should call all Congolese Refugees and Asylum seekers around the World to come back Home and collectively develop DRC. Very unfortunate, one such Refugee Mrs Elizabeth Kalenga met a painful Death during child Birth at Kakuma Mission Hospital- Kenya, 20th August 2013, 4:00AM leaving about 4 children helpless. A case ignored by many Authorities.

## AN EYE ON THE DRC

THE current FLIGHTS of REFUGEES and ASYLUM seekers from the Democratic Republic of Congo to other parts of AFRICA and beyond SHOULD alert the World on how Undemocratic the Democratic Republic of Congo has become. Authorities in the DRC should RETHINK Policies, Laws, Programmes with focus on TRUE LOVE FOR HUMANITY.

- H.E Felix Tshisekedi should display pride-freeness and Humility as necessary tools to initiate meaningful PEACE TALKS with those Rebellious to his political leadership and ambitions.
- FIGHTING REBELS in the Ituri province (Eastern DRC ) might not yield desirable-political and economic fruits in the medium and long run.
- Killing one another is also a BOLD display of weakness given that the rebels are also Congolese and Africans (brothers and sisters) The so-called rebels should be asked to come out safely, Alive and be re-integrated into meaningful Public domain for the good of DRC and the continent AFRICA.
- Authorities in the DRC should keenly Value the Human resourcefulness being lost in the name of Refuge, Political Asylum and Economic hardship .
