ONLINE-ALERT

PROMOTING ESTABLISHMENTS THROUGH FAME SHARING

"Be Inspired To Support The Poor Worldwide"

SAFE LIFE ONLINE DIVISION

Dear esteemed associates, stakeholders and online community generally. Greetings from **SAFE LIFE UGANDA - ONLINE DIVISION**.

We regrettably and reliably learnt that the highly respectable name of our organization (**SAFE LIFE UGANDA**) was being misused by some unknown/unverified/unauthorized person(s).

We intercepted online face book account entitled “**LETS SAFE LIFE Uganda**” the page was circulating image of a child reportedly involved in severe fire accident.

The image sets room for an immediate sympathy/mercy; that is a common trigger used by most wrong people to set trap for unsuspecting-sympathizers worldwide.

We have since verified the telephone number attached to the said account as registered in the name of **EMMANUEL WAMALA (+256 700389558)**. We tried to call the line without success.

The purpose of this **ONLINE-ALERT** is to Disassociate **SAFE LIFE UGANDA (SLU)- ONLINE DIVISION**; from all activities being performed by the so called “**LETS SAFE LIFE Uganda**”.

We also learnt the person(s) was using the iconic flag of Uganda as his Access image and/or identity.

We request that you take **NOTICE** of our Honesty and Humility as a successful organization **in Africa reaching the World with unique innovations and programs**.

We do not beg for funds via mobile money facilities etc. We are self-sustaining and our name (**SAFE LIFE UGANDA**) is what we protect most. It took us many years to build the name and we shall not allow anybody to destroy it within minutes or hours. **SAFE LIFE UGANDA** was registered in 2005, in the Republic of Uganda as a Non-Government Organization. The name was subsequently advertised and registered with the Uganda gazette of 18th March, 2005, assigned with dissemination of the famous anti-HIV AIDS anthem worldwide. The HIV/AIDS Anthem was composed by Prophet Patrick Donald Oucha, now in circulation worldwide through www.safelifeuganda.org **GOLD CERTIFIED**.

Thank you,

PROPHET PATRICK DONALD OUCHA
FOUNDER CUM CHAIRPERSON
SAFE LIFE UGANDA
