

OUCHA WRITES TO THE PRESIDENT

Gen. Yoweri Kaguta Museveni
The President of the Republic of Uganda
THE popularity of Uganda's president,
H.E Yoweri Kaguta Museveni, is visibly reflected
in the willingness of some Ugandans to write and
share with the president what they do experience
in Life.

However, it is not very clear if the president
receives such information on schedule to keep
abreast with the people very loyal to his Leadership

LETTER REVIEWS

The World renowned HIV/ AIDS Activist cum composer
HIV /AIDS anthem, Prophet Patrick Donald Oucha has
authored Four(4) Letters to the president between
22nd January 2013 and 2nd February 2020. However,
none of his very humble Letters were responded to.
Even those authored by the regional authorities to
formally introduce Patrick Donald Oucha to the President
have had no response to date.

One of his letters state that his family(Oucha's family)
invested heavily in the war against HIV /AIDS scourge
at the cost of zero appreciation. That the good fight
has instead crippled his family income beyond repair.
The activist has finally relaxed his claim for USD 3Million
for unpaid Royalties accrued due to unauthorized
circulation of his gazetted Anthem used by the Ministry
of Education in 2007 and beyond.

"I am mature to understand that our country has very
limited resource envelope. I am not willing to pursue
my other claim" states a letter in part.

Patrick Donald Oucha authored his last letter to the
president on 2nd February 2020. It was received,
endorsed and forwarded to the president's office by
Minister of Presidency Hon. Esther Mbayo.

Oucha has not received any response from the
President's office since.

We have keenly observed that most of
these prominent establishments do not
timely respond to letters because
of busy schedule. However, it is very
important to keep clients posted with the
progress. We have learnt with regrets
that letter writing is quite expensive in
terms of follow-up. For instance, it cost
Patrick Donald Oucha UGX 2Million to
follow-up the progress of his letters to
the president which have not yielded
results from January 2013. Very vital
that we develop the culture of Care
and understanding values in all we
perform.
GOD BLESS UGANDA, GOD BLESS
AFRICA

Anthem Gazetted in:
THE UGANDA GAZETTE
Ref. XCVII No. 15
of March 18, 2005

However, the month of **November, 2019** presented a sad News to my family as I lost a vibrant family member from the United Kingdom, a situation that has drained me financially and other resources, considering that the body had to be brought back home for funerals and burial.

This situation has prompted me to forego urban life and relocate to my rural township (Parambo) in Nebbi District.

While in Parambo , I will still continue with Community work for the good of our Country- Uganda. I shall also participate in National / International health programmes where necessary.

Service to God and the people of God shall be streamlined alongside all my programmes.

The Purpose of this brief letter is to humbly request for state assistance to facilitate my family relocation to my district of origin. I have two biological children and 12 dependants who I live to serve directly. The resources at hand now are minimal. Your support will make a difference

Looking forward to your positive response.

Yours Sincerely,

12/02/2020

**PATRICK DONALD OUCHA (Prophet).
HIV / AIDS ACTIVIST
COMPOSER HIV /
AIDS ANTHEM.**
