Definition: It is the master piece authored by a famous person to among other roles, appreciate the success and/or praise worthiness of the Recipient.

THE LEADERSHIP SIGNATURE GIFT is also a token of poetic/ artistic master piece authored / designed with deeper Analysis, Reflection, Reviews and Reports of Quality leadership performance considered over many quality years and articulated in a poetic style to give the reader freedom of intra-personal debate and analysis.

The said performance could be in political leadership, religious leadership, business leadership, educational leadership, management leadership among others.

THE PURPOSE

THE LEADERSHIP SIGNATURE GIFT provides the performance – energy renewal platform to the privileged recipient and other readers privileged to access the master piece in whatever form consumable anywhere on earth. It helps to clear and reset the recipient from any form of leadership fatigue. It also sets platform for genuine admiration of a leader and his personality holistically. Above all, it proves the leader is driven by a seed of Vision with a predictable fruit in form of innovations. That is to say, leaders without quality Vision have no pro-vision and therefore, no innovations. On the other hand, leaders with seed of Vision have pro-vision and innovations as predictable fruits that drives the Nation upper wards always.

However it is important to note that **THE LEADERSHIP SIGNATURE GIFT** is the opposite of an **AUTOGRAPH**.

Remember an autograph is not a Gift but signature acknowledgement by a famous personality.

“We do appreciate his quality time and the unique approach put in place to interface with the relevant stakeholders in the sub region and may be country wide” says a group of Local Leaders in the sub region.

President Museveni was accompanied by some of key Ministers including the first Deputy Prime Minister General Moses Ali, the Minister for Energy, Irene Muloni, the State Minister for Energy, Simon D’ujanga, the Minister for Northern Uganda, Grace Kwiyochwiny, Minister for Presidency, Esther Banyo among other high profile personalities.
